

PREGNANCY AND INFANT LOSS PEER SUPPORT GROUP

A virtual community for parents in who have experienced a miscarriage, stillbirth, or infant loss.

**There is nothing more devastating than losing a baby.
Connect with a community of people who have experienced the same
pain to help relieve the weight of your grief.**

Lauraine Jondoh, MPA a Perinatal Mental Health Coordinator at the Partnership will provide information and resources for parents who have experienced a loss due to miscarriage, stillbirth, or sudden unexplained infant loss. **This online support group is free of charge and is for families living in northern New Jersey.**

**Bi-weekly Thursday Meetings
6:00 - 7:00 PM EST**

Register here or visit **PMCH.ORG**

Funding for this program is provided by the NJ Department of Health.
