

## **Domestic Violence Awareness Month Webinar Series Webinar #3: Understanding Domestic Violence and Strangulation**

**Provided by**  
**The Partnership for Maternal and Child Health of Northern New Jersey**  
**Thursday, October 15                      2:00 – 3:00pm ET                      Live Webinar**

### **Course Description**

This webinar will focus on the role strangulation plays as an indicator of domestic violence and discussion of community resources.

### **Presenter**

**Danielle Francois, MPH** is the Health and Outreach Coordinator for the Essex County Family Justice Center located in Newark New Jersey. In this role she frequently creates and provides trainings for medical providers, human service providers, and law enforcement on the individual and public health impacts of domestic violence and non-fatal strangulation. Ms. Francois also devotes some of her spare time to SAVE of Essex County where she volunteers as a Confidential Sexual Violence Advocate.

### **Target Audience**

Physicians, midwives, Advance Practice nurses, nurses, social workers, mental health providers providing support for individuals who may have experienced domestic violence.

### **Learning Outcome**

At the conclusion of the program, the participants will self-report knowledge gain related to strangulation as an indicator for domestic violence and intent to change practice by including information or tools presented into professional practice.

### **Disclosure**

The planners and speaker do not have any conflicts of interest to report for this activity.

### **Successful Completion**

To receive contact hours for this continuing education program, the registrant must sign in to the webinar, attend the entire program, and complete and submit an evaluation. Certificates of attendance will be sent via email within one week of the program.
