

## **Domestic Violence Awareness Month Webinar Series Webinar #4: Recognizing the Signs of Teen Dating Violence**

**Provided by**  
**The Partnership for Maternal and Child Health of Northern New Jersey**  
**Thursday, October 29                      2:00 – 3:00pm ET                      Live Webinar**

### **Course Description**

This informational workshop focuses on abusive relationship clues and signs to look for, with a focus on teens and young people. Focused on empathetic responses and support, the examples are drawn from examples from the SOFIA community and social media.

### **Presenter**

**Kristin Wald, MS, DVRT**, an educator with experience in working with both teenagers and adults, has been a Domestic Violence Domestic Violence Awareness Workshop Leader for Start Out Fresh Intervention Advocates (SOFIA) since 2015. In this role, she leads discussions, shares information, and addresses concerns and questions regarding issues surrounding recognizing signs, helping others, helping oneself, and navigating the effects of intimate partner violence/domestic violence. Ms. Wald also serves as the Vice President of the Board for SOFIA.

### **Target Audience**

Physicians, midwives, Advance Practice nurses, nurses, social workers, mental health providers providing support for individuals who may have experienced domestic violence.

### **Learning Outcome**

At the conclusion of the program, the participants will self-report knowledge gain related to screening for teen dating violence and intent to change practice by including information or tools presented into professional practice.

### **Course Description**
