

Live Webinar

Thursday, January 27, 2022

2:00 - 3:00 pm EST

Recording to be available to registrants until February 24, 2022

Creating a Strong Foundation: Practical Suggestions for Improving Nurse Resilience and the Work Environment in a Maternity Setting

with Rebecca R. S. Clark, PhD, MSN, RN, CNM, WNHP-BC

This webinar will discuss the current challenges maternity nursing units are facing in the context of recent findings about maternity unit nursing resources (e.g., the work environment, staffing) and maternity nurse burnout and job satisfaction. From there, potential solutions will be considered for improving nurse outcomes.

Successful Completion: To receive contact hours for this continuing education program, the registrant must sign-in for the live webinar, view the entire presentation, and complete and submit an evaluation. A certificate of completion will be distributed within one week of the program.

Four months following the live program, attendees will be expected to complete an on-line follow-up survey to assess long term impact of the education provided.

For information on receiving contact hours for viewing the recorded program, [visit www.pmch.org](http://www.pmch.org)

Continuing Nursing Education Contact Hours: This program has been awarded 1.0 contact hours.

The Partnership for Maternal and Child Health of Northern New Jersey is approved as a provider of nursing continuing professional development by New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. P194-2/2023
