

# Influenza: The Case for Vaccination of Healthcare Workers

Provided by the  
Partnership for Maternal and Child Health of Northern New Jersey

*February 15, 2022*

*2:00 – 3:00pm*

## **Presenter**

Eimear Kitt, MD, is an attending physician with the Division of Infectious Diseases at Children's Hospital of Philadelphia and Associate Medical Director of Infection Prevention and Control and Program Director of the Infectious Diseases Fellowship Program. Dr. Kitt co-leads the Hospital Acquired Viral Infection Committee in CHOP's Harm Prevention program and has an interest in the epidemiology and diagnosis of respiratory viruses in children, including vaccine preventable diseases like influenza.

## **Target Audience**

Physicians, Advance Practice Nurses, Midwives, Nurses, Public Health Professionals.

## **Learning Outcome**

After attending the program, the participants will self-report knowledge gained related to the importance of protecting healthcare professionals from flu, including ways encourage vaccination among colleagues.

## **Disclosure/Commercial Support**

Planning committee member, Amy Gole, discloses she is the CEO of Goleberry, LLC, which provides development and support for educational programming. The speaker and other planners do not have any conflicts of interest to report for this activity. There is no commercial support for this activity.

## **Successful completion**

To receive contact hours for the continuing education program, the registrant must log in to the webinar, view the entire presentation, and complete and submit an evaluation. A certificate of completion will be distributed within one week of the program.
