

Beyond the Pandemic: Lasting Impacts on Pediatric Health

Provided by the Partnership for Maternal and Child Health of Northern New Jersey
In collaboration with New Jersey Association for Infant Mental Health

June 16, 2022

Session 4

Thriving in the Midst: Centering Pediatric Health Equity With Eurnestine Brown, Ph.D.

11:30 am – 12:30 pm EST

Cost: \$25 for all four programs

Registration is **FREE** using the code **PMCHMH** for [Partnership member hospitals](#), NJ Department of Health staff, NJ Department of Children and Families staff, and staff at northern New Jersey-based community non-profit organizations (Bergen, Essex, Hudson, Morris, Passaic, Sussex, Union, and Warren counties only.)

If you would like to inquire about scholarship opportunities, or are registering multiple people from a large organization, please contact Sarah Muller-Robbins at srobbins@pmch.org.

Presenter

Eurnestine Brown, Ph.D.

Dr. Eurnestine Brown is the Program Director and the first Director of Relational Equity and Belonging at the Brazelton Touchpoints Center and Division of Developmental Medicines' (DDM) Liaison, to the Office of Health Equity and inclusion (OHEI) at Boston Children's Hospital. Dr. Brown's specialty areas include adolescent pregnancy and prenatal development, children/families experiencing poverty, racial, gender, and health inequities, parental socialization practices and early childhood socioemotional development, Early Head Start/Head Start, and resiliency. She moderates BTC's *Parenting While Black*, a 6-week, free webinar series for and by Black parents. She has taught courses on Developmental Psychology, Parenting, and Racial and Ethnic Identity Development. Dr. Brown is the co-editor of *African-American Women: An Ecological Perspective* and has published papers in journals such as *Developmental Psychology* and *Development and Psychopathology*. She currently serves on the Editorial Board of the *Infant Mental Health Journal* and is a Board of Directors member for *Infant Massage USA*.

Target Audience

Pediatric Nurses, Advanced Practice Nurses, Pediatricians, Social Workers, Mental Health Specialists

Learning Outcome

At the conclusion of the program, the participants will self-report knowledge gain related addressing disparities in pediatric health and intent to change practice by including information or tools presented into professional practice.
