

Beyond the Pandemic: Lasting Impacts on Pediatric Health

Provided by the Partnership for Maternal and Child Health of Northern New Jersey

June 16, 2022

Session 1 Living in a Post-COVID World With Katharine Clouser, MD, FAAP

8:15 – 9:15 am EST

Cost: \$25 for all four programs

Registration is **FREE** using the code **PMCHMH** for [Partnership member hospitals](#), NJ Department of Health staff, NJ Department of Children and Families staff, and staff at northern New Jersey-based community non-profit organizations (Bergen, Essex, Hudson, Morris, Passaic, Sussex, Union, and Warren counties only.)

If you would like to inquire about scholarship opportunities, or are registering multiple people from a large organization, please contact Sarah Muller-Robbins at srobbins@pmch.org.

Session Description

This webinar will focus on long haul COVID in the pediatric population and associated diagnoses among COVID positive children. It will include a review of the risk factors associated with symptomatic pediatric COVID infection and notable trends in infection rates.

Presenter

Katharine Clouser, MD, FAAP

Dr. Katharine Clouser is an Assistant Professor of Pediatrics at Hackensack Meridian School of Medicine and Co-Director of the Pediatric COVID Recovery Center at Hackensack Meridian Health. She is board-certified in pediatrics and pediatric hospital medicine and has published extensive peer-reviewed work throughout the pandemic on COVID-19 in the pediatric population, including risk factors and outcomes in children and adolescents with multisystem inflammatory syndrome in children (MIS-C).

Target Audience

Pediatric Nurses, Advanced Practice Nurses, Pediatricians, Social Workers, Mental Health Specialists

Learning Outcome

At the conclusion of the program, the participants will self-report knowledge gain related to pediatric COVID trends, risk factors, and long haul COVID symptoms and intent to change practice by incorporating the information into professional practice.

Disclosure/Commercial Support

The planners and speaker do not have any conflicts of interest to report for this activity. There is no commercial support for this activity.

Successful Completion

To receive contact hours for each continuing education session, the registrant must sign-in for the webinar, attend the entire presentation, and complete and submit an evaluation for that session. A certificate of completion will be distributed within one week of the live event.
