

## **RECORDED WEBINAR**

# **Preventing Maternal Deaths: Managing Hypertension and Postpartum Hemorrhage**

Provided by the Partnership for Maternal and Child Health of Northern New Jersey

***Date of Encore Presentation: October 6, 2022***

***Time: 2 pm – 3:30 pm***

### **Presenter**

**Donna Weeks, DNP, RNC-OB, EFM-C, APN**

Donna Weeks has vast experience as a perinatal clinical nurse specialist and nursing instructor with a focus on educating on informatics and epidemiology, advanced pathophysiology, and evidence-based practice. She is currently an Adjunct Professor at Purdue Global University and faculty at Capella University. During her recent role as a Clinical Nurse Specialist at HMH JFK Medical Center, she was the project lead for AWHONN's Postpartum Hemorrhage Project. Dr. Weeks has presented at numerous regional and national conferences and was the recipient of the 2018 March of Dimes Educator of the Year.

### **Target Audience**

Perinatal Nurses, Emergency Nurses, Advanced Practice Nurses

### **Learning Outcome**

At the conclusion of the program, the participants will self-report knowledge gain related to managing hypertension and postpartum hemorrhage and intent to change practice by including information or tools presented into professional practice.

### **Disclosure/Commercial Support**

The planners and speaker do not have any conflicts of interest to report for this activity. There is no commercial support for this activity.

### **Successful completion**

To receive contact hours for this continuing education program, the registrant must sign-in for the webinar, attend the entire presentation and complete and submit an evaluation. A certificate of completion will be distributed within one week of receipt of the evaluation.

### **Continuing Nursing Education Contact Hours**

This program has been awarded 1.5 contact hours.
